Dr. David Jeremiah Unravels the Mystery of End Times Prophecy in a Revolutionary Way

Revered pastor and #1 *New York Times* bestselling author Dr. David Jeremiah uses apocalyptic drama paired with wise teaching to make the book of Revelation understandable in his new book, *Agents of the Apocalypse*, releasing October 7 from Tyndale House Publishers.

Carol Stream, Ill.— Dr. David Jeremiah, noted prophecy expert, bestselling author, founder and host of [Turning Point](#) ministries, and senior pastor of [Shadow Mountain Community Church](#) in El Cajon, California, provides clarity and wisdom in his exploration of end times prophecy in [Agents of the Apocalypse](#). In it, he walks readers through the book of Revelation in an original, engaging way. By employing dramatizations of the key players in the book of Revelation, Dr. Jeremiah does what no prophecy expert has done before. He uses the power of story, drawn directly from biblical prophecy, as a hook to introduce important prophecy lessons from the Bible. He then follows up each dramatization with wise teaching to frame each story and unpack end times prophecy in a logical, accessible way.

By using this fresh approach, [Dr. Jeremiah](#) provides insight on the relevance of the book of Revelation for each of us today. He wrote this book in response to the feedback he receives from Christians every day. He says, “We live in an increasingly chaotic and godless world, and many Christians believe the dark shadows of the Apocalypse are looming on the horizon.” With the growing anti-Christian sentiment and the decline in economic and social stability in our culture, Christians are beginning to more closely examine the book of Revelation as a source of encouragement and hope. According to Dr. Jeremiah, the book of Revelation “recognizes the hard facts of worldwide disintegration and persecution, yet it assures God’s people of certain victory.” In light of this, Dr. Jeremiah was challenged by this question: “How can I write a book that will present this important message in a new and captivating way?”

Out of this question, [Agents of the Apocalypse](#) was born. In it, Dr. Jeremiah employs dramatized accounts to make the prophecies in Scripture come to life. Having learned from C. S. Lewis, Dr. Jeremiah recognizes the value of story as a vehicle for truth. “By putting truth in imaginative form, the truth can be driven not only into the mind but also into the heart.” Dr. Jeremiah is careful to note, “In the writing of these fictional accounts, nothing presented in the Bible has been altered. The dramatized elements are constructed firmly on the facts of Revelation.”

Each chapter in this book is divided into two sections. The first section is the dramatized account, which is followed by “The Scripture behind the Story,” which provides more discussion about the scriptural meaning and how we can

interpret it and apply it to our lives today. “My hope is that the dramatization will whet your appetite to explore the biblical truths behind the story,” Dr. Jeremiah says.

“It is my heartfelt prayer that this book will impress the truth of Revelation into both your mind and your heart, and that it will strengthen your resolve to stand firm for Christ in the face of the worst of circumstances,” Dr. Jeremiah says. “I also pray that this book will help you to realize the overarching truth of Revelation: that the believer’s victory in Christ is an absolute certainty.”
