Beware of Marriage as Usual

Authors Share Story of Failure, Refinement, and How Their Ordinary Marriage Became Extraordinary in New Book from Tyndale House

CAROL STREAM, IL—Is your marriage everything you thought it would be? All marriages begin with love, excitement, and dreams for building a life together, but sooner or later many couples fall into a mediocre routine as life gets in the way of romance. We assume this is normal in relationships, so we settle for ordinary. But what if your marriage was meant for something more?

Justin and Trisha Davis learned firsthand the dangers of an ordinary marriage. On the outside, they were building a great family and ministry, but in their hearts they were no longer partners in marriage. Their failure to recognize the warning signs led to an affair that almost ended their marriage, their family, and their ministry. The Davises share their story with transparency and genuine honesty in *Beyond Ordinary: When a Good Marriage Just Isn't Good Enough*, which releases from Tyndale House Publishers in January 2013.

Using a highly compelling “he said, she said” approach, Justin and Trisha share two sides of the same story, exposing the many small—and seemingly insignificant—comments and decisions couples make every day that can dramatically alter the course of a marriage. They reveal the invaluable lessons and insights that helped them restore their relationship and transform their ordinary marriage into an extraordinary one.

Engaged and married couples will be challenged to develop and maintain a marriage that is passionate, purposeful, and truly extraordinary.

About the Authors

Justin and Trisha Davis met at Lincoln Christian University. The Davises' return to ministry is the result of a victorious battle for their marriage and family. In 2009 they founded RefineUs Ministries, Inc., to ignite a movement in the church and among pastors and church planters to build healthy marriages and families. Today Justin and Trisha are bloggers, authors, and teachers in Nashville, Tennessee. Learn more at www.refineus.org.

About Tyndale House Publishers

Tyndale House Publishers, founded in 1962, is the world's largest privately held Christian publisher of books, Bibles, and digital media. Tyndale has published many *New York Times* bestsellers. The largest portion of its profit goes to the nonprofit Tyndale House Foundation, which makes grants to help meet the physical and spiritual needs of people around the world. Tyndale was founded to publish *Living Letters*, which later comprised part of *The Living Bible*, a contemporary paraphrase of the Bible that became a global publishing phenomenon. Tyndale now publishes the *Holy Bible*, New Living Translation (NLT), the translation of choice for millions of people.
