IRENE HANNON

Bestselling author and 3-time RITA Award winner

With descriptions that will make even the least-foodie among readers salivate, *The Saturday Night Supper Club* is a romantic feast for the imagination as well as the heart. In this, her fourth contemporary romance release, author Carla Laureano serves up a delectable contemporary romance within a cautionary tale for the age of social media. At turns devastating and delightful, this novel contrasts the heartbreak of instant infamy against the charm of a budding attraction. A savory story garnished with the sweetness of friendship, it chronicles the reshaping of Rachel's career as romance simmers on the back burner, waiting for its turn at the table. And when that romantic dessert course is served? Delicious. Highly recommended!
